

## **Terms and conditions for use of the STAV Labtechlist**

The Labtechlist has been setup by STAV as a discussion forum where Laboratory Technicians can exchange information, share ideas and seek advice.

By using the Labtechlist you acknowledge that you have read and understood the following terms and conditions for use.

The Labtechlist is moderated so that inappropriate material will not be posted.

eg. Material that may offend others, personal opinions about colleagues and external suppliers, discussion of personal, legal and industrial matters

- Any representations or opinions expressed in this list are those of the individual list member and may not reflect those of STAV.
- STAV accepts no liability for any loss, damage or consequence resulting from the use of information contained in this list
- Copyright material from third parties must not be sent on this list without specific authorisation to do so.
- All care is taken to ensure emails sent via this list are free from viruses. However, it is your responsibility to scan email transmissions for viruses.
- STAV reserves the right to remove any member from this list if these terms and/or conditions are not adhered to.
