STS timeline

Handbook available (online & hardcopy)	February
Entry registration closes.....	early June
Entries submitted.....	late July
Judging.....	early August
Exhibition & Presentation Day.....	late October

Student awards

STS uses sponsor donations (\$25,000+ annually) for student bursaries. In each section, there are major and minor bursaries ranging from \$25 to \$120). All students receive a certificate of participation.

Special judging days for metropolitan entries in Class Project, Posters, Photography, Videos, Games, Models, Inventions and Computers occur at three venues in early August. Alternative arrangements are made for non-metropolitan entries.

In September bursaries and certificates are finalised. An Exhibition of Bursary winning entries and ceremonies to present cheques and medallions is held in late October.

School awards

Awards are given to schools with a high standard of entries across a range of sections. There are separate awards for primary and secondary schools in each of the government and independent school's sectors.

For further information about STS and an electronic copy of the STS Handbook go to:
